

STAGE

Supporting Theatre Arts for a Greater Education
You are invited to make a difference on STAGE

As of this year, STAGE will assist with both Batavia High School and Rotolo Middle School theatrical productions. Batavia has a long and highly respected reputation of excellence in the performing arts, and we invite you to be a part of that tradition. Please join STAGE!

STAGE, formed in October 2005, exists to support, encourage, maintain, and promote theatrical productions at both RMS and BHS. Participation in theatre productions is an integral part of the education system that stimulates confidence, promotes teamwork, encourages a positive work ethic, and highlights showmanship – all important characteristics necessary for success in life. Your membership contributions will benefit the many students who participate in the performing arts. Questions? Please call STAGE Board Secretary Suzanne Heronemus at 630-417-3562.
